

Water and Wastewater Committee Meeting Minutes

October 4, 2021

6:30 PM – 7:35 PM

Present: Larry Brooks, Tyler Weber, RJ Lindemann, Melissa Brooks, Matt Tarr, Kenneth Belcher, Elisabeth Belcher, Brent Benefiel, Marlene Harris, Rosie York, Gayle Glumac

1. Brent Benefiel told us the building site for the sludge building was approved by Shannon Woodard.
2. Brent Benefiel also told us about a break in a sewer main on S Walnut. The sewer line is 12 feet deep, so B&T Drainage will bring an excavator at an estimate of \$2,500.00 to dig the sewer line up. The Sewer Department will finish the job.
3. A new vacuum truck was discussed. A lease plan was discussed. A new truck with trade in would be \$54,640.00/year for 5 years. A maintenance plan is included in the price. This will be shared with the Water Department. Another meeting will be needed.
4. Tyler Weber talked about new EPA regulations.
5. New handheld mobile meter readers were discussed.
6. Tyler Weber said the filters for the Water Plant needed to be inspected. Water Surplus would do this inspection at a cost of \$4,015.00 for the tvessels.

Meeting adjourned at 7:35 PM.

Larry Brooks, Water and Wastewater Chairman
