Water and Wastewater Committee Meeting Tuesday March 26, 2024 at 6:25

1. Hiring a full-time Water Department employee
 - a. The committee discussed the job description of the Water Department position, it was concluded that a discussion with the union representative would be required to clarify the licensing requirements.

2. Rate increase
 - a. Tyler brought a proposal to the committee to raise water rates to keep up with increasing costs, this would be a slight increase now instead of a major increase in a few years. The committee challenged Tyler to look into raising his minimum usage rate instead of a rate increase. The committee asked that
